

Environmentally Friendly Policy:

Here at Tir na nOg Preschool we endeavour to be as Environmentally Friendly as possible and we ask everyone to do their bit:

- We operate a recycling system and the children are trained to use the different bins correctly
- All leftover food is fed to the wild birds.
- Children have their own individual hand towels to use rather than paper towels which create alot of unnecessary waste.
- We ask parents to use lunch boxes rather than wrapping the children's lunches in tin foil or cling film.
- We try to cut down on paper wastage as much as possible and in this regard we give parents the option of receiving our Policies and Procedures Booklet via e:mail rather than in hard copy form.
- We also use a group texting service to contact parents with relevant on-going information such as school closures, outings, etc, to save on paper wastage.
