

Fees & Payments Procedure:

When a parent/guardian approaches the preschool they are given the Parents Information Booklet which gives them all the information they require regarding;

- Opening and closing times
- Days and holidays on which we will be closed
- The relevant fees

Our fees are calculated in such a manner that we have 10 equal monthly payments over the course of the school year.

The fees are due at the beginning of each month and an envelope will be sent home stating the child's name and the amount due.

We accept cash, cheques or bank transfers. If parents want to use the bank transfer method please ask for account details.

If your child is absent, for whatever reason, the fees still have to be paid.

If you have a second child in the service a reduction in fees is given.

Throughout the course of the year there may be other costs incurred, eg. Workbooks, outings, etc.. and parents will be informed of these as they arise.
